SPLITTING HEADACHES

THIS REDWOOD CITY WOMAN FEARED INSANITY.

Trouble Entirely Cured When the Weak Nerves Were Toned up by Dr. Williams' Pink Pills.

If every pale, weak, nervous woman who reads these lines would try the remedy that cured Mrs. Stothers there would be far less suffering, fewer children born to a heritage of weak nerves, fewer unhappy homes.

Weak nerves mean irritableness, hysteria, headaches, melancholia, perhaps insanity. Build up the nerves by using Dr. Williams' Pink Pills, at the same time toning up the general health and you will see an increasing appetite, a happier disposition, a lighter step, freedom from lassitude, a return to sound and refreshing sleep.

The cure of Mrs. R. Stothers, of No. 506 Beach street, Redwood City, Cal., should encourage every nervous sufferer to try this blood and nerve tonic. She says: "I was troubled with nervousness for about two years and the last year became so much worse that I was completely run down, was pale and thin and could get hardly any sleep. I was always seeing imaginary things before my eyes. Whenever my child cried or there was any noise, I would get so nervous that I could hardly stand it. I had splitting headaches and at times thought I would go insane."

"I had been quite well for several months before I heard of Dr. Williams' Pink Pills. The druggist told my husband to have me try them and after a short trial I felt much better. The pills gave me color and built me up. I gave them a good trial and was entirely cured."

If you are interested in the treatment of nervous troubles with Dr. Williams' Pink Pills, send for our free booklet, "Diseases of the Nervous System." It shows what the pills have accomplished in many recent cases of neuritis, sciatica, St. Vitus' dance, nervous headache, nervous dyspepsia, partial paralysis and locomotor ataxia.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Chenectady, N. Y.

GARFIELD WILL HAVE FREE HAND

BEVELLY, Mass., July 18.—Senators Burton and Dick of Ohio came to Bevelly today and conferred with President Taft on the Republican situation in their home State, and when the conference was over President Taft announced that he would keep hands off the ante-gubernatorial convention situation.

The insurgent Republicans, with James R. Garfield as their candidate for the Republican nomination for Governor, have started a fight and are appealing to the voters on practically the same issues as those upon which Cummins and Dolliver of Iowa have been successful at home, and Senators Dick and Burton represent the conservative wing of the party, with Wade Ellis, President Taft's protégé, as party manager.

There are two important issues already developed in the Ohio situation. The conservatives want to retain control of the party by defeating Garfield and the other insurgent candidates for State and Congressional offices, and the friends of President Taft are anxious to defeat Governor Harmon for reelection. Harmon is looming up as a Presidential possibility, and quite naturally the Ohio Republicans prefer to have the Democratic nominee a man from some other State.

The President's announcement means that he will not take a hand until after the party has nominated a candidate. If the conservatives succeed in capturing the convention, the fight upon Governor Harmon will be waged with all the force that can be brought to bear.

HAWAII LIGHTHOUSE DISTRICT NAMED

WASHINGTON, D. C., July 18.—Three new lighthouse districts were created today for Hawaii and Porto Rico. The action of the Federal authorities was in response to demands for better marine facilities.

The creation of the new districts means that Hawaii will be a light-house division, and that the Territory will have an inspector with headquarters at Honolulu.

Hitherto the lighthouses on the islands have been under control of the California inspector. The building of the new lighthouses will entail an expenditure of about \$100,000, though the exact cost can not be ascertained until engineers prepare the plans.

PINCHOT STARTS CAMPAIGN

OAKLAND, Cal., July 18.—Gifford Pinchot arrived in this city last night and will begin today his work in behalf of Hiram Johnson, Lincoln-Roosevelt candidate for the Republican nomination for Governor, and William Kent, insurgent opponent of Congressman Duncan A. McMillan.

Pinchot will speak here today and then start out on a tour of the State.

TRAINMEN OUT FOR RAISE

MONTREAL, July 18.—Trainmen and conductors on the Central Vermont today struck for higher wages. They based their demands for higher pay on the grounds that the wages they have been receiving were not in proportion to the cost of living.

PENNSYLVANIA R. R. AND EMPLOYEES AGREE

PHILADELPHIA, July 18.—At a conference yesterday of the officials of the Pennsylvania Railroad Company and representatives of the trainmen's union, both sides agreed to a basis for a settlement of the differences which led the other day to an order to strike.

CANNON GOING STRONG

EMPORIA, Kan., July 18.—In a speech delivered here tonight, Speaker Cannon announced that he had not abandoned the race for the Speakership. He came to the heart of the insurgent West to make the announcement.

GRAND TRUNK EMPLOYEES STRIKE

DETROIT, July 18.—One thousand conductors and trainmen on the Grand Trunk struck today. They demanded better wages, and their demands were refused flatly by the officials of the railroad.
